## RESOLUTION

Expressing the sense of the House of Representatives that Representative Adam Schiff should not have access to classified information, and for other purposes.

Whereas Representative Adam Schiff served as the Chairman of the House Permanent Select Committee on Intelligence from January 3rd, 2019 to January 3rd, 2023, and as the ranking minority member from January 3rd, 2015 to January 3rd, 2019;

Whereas in December 2017, Representative Schiff falsely claimed “the Russians offered help, the campaign accepted help, the Russians gave help, and the president made full use of that help” when referring to unsubstantiated

claims of collusion between former President Donald J. Trump and Russia during the 2016 election;

Whereas in January 2019, Representative Schiff claimed there was “clear evidence on the issue of collusion” between the Trump campaign and Russia;

Whereas on March 2019 every Republican Member of the Permanent Select Committee on Intelligence signed a letter stating that they had no confidence in Representative Schiff as Chairman;

Whereas the principal conclusions of the Mueller Report determined there was no criminal collusion between the Trump Campaign and Russia;

Whereas in November 2020, Representative Schiff contacted Twitter, asking the tech giant to take action against alleged harassers and spreaders of misinformation, including the removal of content created by State Department staffers such as quotes, retweets, and reactions to content that challenged Schiff’s baseless claims of Russian collusion within the Trump campaign;

Whereas in November 2020, Representative Schiff’s office requested that Twitter “stop the spread of future misinformation on Twitter” regarding Committee staff and reduce the visibility of any content he disagreed with;

Whereas Representative Schiff has proven himself untrustworthy by advancing falsities about former President of the United States Donald J. Trump, as relating to unfounded allegations of collusion with the Russian Federation and attempting to cover his abuse of discretions with legislation; and

Whereas Representative Schiff can no longer be trusted by his colleagues in Congress or the American people: Now, therefore, be it
